CJA eVoucher Associates Functionality for Attorneys

This document explains the features of the **Associates** functionality in CJA eVoucher. Follow local policies where applicable.

The new associates functionality in the eVoucher applications requires an appointed attorney using the services of an associate attorney to add claims for services and expenses to their own CJA 20/30. To do this, the appointed attorney must submit a CJA-26 to request the appointment of an associate. Once approved, an attorney having an associate on their appointment may add associate services and expenses to a CJA 20/30 and submit together with their own services and expenses on the same voucher.

Current Vouchers

Attorneys and courts can process vouchers on existing associate appointments created before v5.2 for 90 days after the deployment to production. All new associate appointments must be created as an associate on the voucher and processed the new way.

Creating a CJA 20/30 with an Associate

Payments are always made to the appointed attorney's preferred payee billing selected on the **Basic Info** tab of the CJA 20/30.

1. On the **Home** page, select a case from the **Appointments' List** grid.

2. In the CJA-20 (or CJA-30, if the case is a Capital Case) section, click Create.

- 3. In the **Associate Info** section, select the level of access (below) for this voucher that the associate attorney has, if any. Payment for this voucher still goes to the selected preferred payee.
 - a. **Not on Voucher:** This voucher does not include any claims for services and/or expenses for the associate attorney.
 - b. On Voucher, No Edit: This voucher includes claims for services and/or expenses for the associate attorney. While the voucher is in Voucher Entry mode, the associate has read-only access. They can only view their own entries on this voucher. Only the appointed attorney can add, remove, edit, and save entries on behalf of the associate.
 - c. On Voucher, Can Edit: This voucher includes claims for services and/or expenses for the associate attorney. While the voucher is in Voucher Entry mode, both the appointed attorney and the associate can add, remove, edit, and save their entries on this voucher. The associate always has access to only their voucher entries.

After selecting **On Voucher, No Edit** or **On Voucher, Can Edit**, click the **Services** and/or **Expenses** tab.

4. The **Services** and **Expenses** tab include an additional **Attorney** drop-down field. If no selection is made in this field, then service or expense entries added to the voucher will be for the appointed attorney. To enter a service or expense claim for the associate, click the **Attorney** drop-down arrow and select the associate's name.

Entries added for the associate are added at the rate entered by court staff when the associate was added to the appointment. The rate may be at or below the statutory hourly rate. Service and expense entries for the appointed attorney appear at the statutory rate (non-capital or capital). The Attorney column in the table indicates for whom each line item applies.

Adding Services/Expenses as an Associate Attorney

Associate appointments appear in the My Appointments page with the order type of **Associate For** [the appointed attorney's name]. Only the appointed attorney can create a voucher.

- If the associate is given **On Voucher, Can Edit** permission, they can add their services and expenses to the voucher.
- If the associate is given **On Voucher, No Edit** permission, only the appointed attorney can edit the voucher.

Associates can only see their own claims and claimed amounts on the voucher. The appointed attorney is the only one who can view the entire voucher with the combined entries.

2. The **Basic Info** tab contains read-only information about the case and appointed attorney.
